

## Magic Bizz Mini-Makeover!

Solve your business issue quickly, saving you £££ and making you £££ in just ONE Magic Bizz Mini-Makeover  
(Psssst...You can even take the call in the bath!)

Bring *any* business problem; whether that be branding, naming, packages, marketing, systems, whatever your issue in this **Magic Mini Bizz Makeover & Breakthrough Session** we can solve it and save you £££ and make you £££ at the same time.

I recently saved £9.5k on a project, which with some clever masterminding, led to a breakthrough which meant we spent only £600 on a total rebrand for my company Dixiebird Records, **saving over £9.5k**. After 14 years in business, with my latest businesses being founded during a global pandemic, I feel qualified and experienced

enough to now help other creative entrepreneurs to find the shortcut in their businesses and **save** money while **MAKING** money - because that IS the point ;) (after saving the world with our unique gifts, of course)

In these sessions I usually have epic intuitive downloads too about your business which save my clients loads of time and lead them to major breakthroughs - like the one I shared with you earlier.

So far clients of my **Magic Bizz Mini-Makeover** have:

- ★ **Gone from extremely confused to super clarified with multiple clarification points on their ideas!**
- ★ **Had a total makeover branding idea, which added 4 products and services to their company, creating an EASY additional income stream of £300+ a week.**
- ★ **Created an EASY sales and marketing strategy for selling their product, saving them over £500 in hiring a team member and saving £££££ on implementing a new marketing strategy! (This is part of my KISS - Keep It Simple Sexy) method!**

## Sounds GREAT! How do we do this?

1. Book a session by using the link below
2. Email me your three main burning topics and I will research them before the call and come to the session with some ideas we can brainstorm.
3. We can zoom, facetime, or dial in (you can take the call in your office, on your dog walk or even in the bath!) and we will brainstorm your problems\*

*You will leave feeling **refreshed** and **ready** to crack on and **implement** what we have discussed in the next stage of your business.*

\*You will need to take notes or record the session, so you can power boost your bizz afterwards, so if that call is going to be in the bath...then safety first....;)

💰 We will brainstorm your problems

💰💰 Work on the main three points

💰💰💰 You will leave with a very clear action plan!

💰💰💰💰 This ONE session will save you hundreds of pounds, save you TIME & MONEY and it will MAKE you money!

In fact, if you DON'T leave with at least THREE ideas that will do the above, I will give you your money back.

### **By the end of the call you will have:**

- ✅ Feel crystal clear and mega confident about your business mission so you are able to easily make money with it, and keep it that way!
